

MINNESOTA-DAKOTAS DISTRICT – KIWANIS INTERNATIONAL

May 1, 2008

Dear Club Secretary,

This letter contains important information that outlines the MN-DAK Kiwanis Khorale which will sing for the third time at the summer District Convention in Moorhead, MN in August. Rehearsals begin on Thursday night, August 7th through the performance Saturday night, August 9th. The group will also be featured at the Sunday morning service for those able to stay on (we hope everyone)! You will find enclosed with this mailing a sheet that explains the Kiwanis Khorale along with guidelines for members from YOUR club to apply on the registration form provided.

If your club has some good singers, who can read music and who would be willing to attend the District convention and sing in this select group, please get this information to them soon. Feel free to make photocopies of the application form.

Please note that each applicant needs to fill out the form and send back to me. The address is on the bottom of the application form.

We know there are many singing clubs in our district and some wonderful singers in those clubs. This is a great opportunity for those folks who take their singing seriously and would like to perform at the convention with other good singers.

Thanks for getting this information to these members in your club. Please don't let your members miss out on this great opportunity.

Stewart Ross
MN-DAK Kiwanis Khoir Chair
