

MN-DAK KIWANIS KHORALE

May 2010

Dear Club Secretary,

This letter contains important information that outlines the MN-DAK KIWANIS KHORALE which will sing for the fifth year in a row at the summer District Convention in Fargo, ND from August 12-15. Rehearsals begin on Thursday night, August 12 and the final performance is at the Sunday morning service on August 15. You will find at the bottom of this letter a registration form for members from YOUR club to send in their information to join the Khorale.

If your club has some good singers who can read music and who would be willing to attend the District Convention and sing in this group, please get this information to them soon. Feel free to make photocopies of the application form.

We know there are many singing clubs in our district and some wonderful singers in those clubs. This is a great opportunity for those folks who take their singing seriously and would like to perform at the convention with other good singers. The director this year will again be Dr. Al Wortman, retired choir director from Minnesota State University, Mankato, where he is also a fellow Kiwanian!

Thanks for getting this information to interested members in your club. Please don't let your members miss out on this great opportunity.

Sincerely,

Laura Handegaard
